No.S 105/1/328
Office of the Deputy Commissioner,
Kanara. Karwar, 31-3-1958.

Submitted to the Divisional Commissioner, Belgaum.

2. This case relates to the grant of an area of 0-32-0 out of F.S.No.213 of Kodar to one Shri Madka Thaku Gouda for cultivation. The total area held by the lessee is more than the economic holding. The total area held by him on occupancy and tenancy works out 21-30-10 on conversion of his land as Khuski. The economic standard prescribed for khuski land is 16 acres.

3. But the area now applied for by him was leased out to the applicant for cultivation in the year 1940 by the Forest Department. It is reported that the lessee has spent an amount of 978/- towards its improvement. It would, therefore, be harsh to refuse the permanent grant of the land at this stage.

4. In the circumstances, Government may kindly be moved to accord sanction for grant of an area of 0-32-0 to the applicant(lessee) in excess of the economic holding.

5. Further action to disforest the area would be taken on receipt of Government orders.

No.S 105/I/328
Office of the Deputy Commissioner,
Kanara. Karwar, 8-8-1958.

Resubmitted to the Divisional Commissioner, Belgaum, with reference to his No.RB/LND SR 344 dated 10-7-1958.

2. The view taken by Government in refusing the request of Shri Yellapurkar may not be applied in this case for the following reasons:

i. Shri Yellapurkar was leased out Government waste S.No.65 of Yellapur for a specific period of 5 years from 1951-52 (in public auction). The main intention of leasing out the area was to keep it clear as it was an unhealthy spot in the heart of Yellapur Town(Taluka Headquarter place). Moreover, there is strong objection from the public for grant of land to Shri Yellapurkar on permanent basis. If its permanent grant had been auctioned, a considerable higher bid would have been received.

Whereas the lands leased to Shri Madka Thaku Gouda are from F.S.No.213 of Kodar village. An area of 0-32-0 was leased out to him in the year 1940. Even prior to this, he was holding an area of 0-7-0 from the same plot on ~~p~~ lease (kindly vide page 12). From the Divisional Forest Officer's endorsement No.G/3/5643 dated 7/8-11-1940, it is clear that the area was specifically given for cultivation and with an intention to establish cultivation. The area is neither required for any public purpose nor is there any objection for its grant from the public.

P.T.O.

ii. Shri B.A.Yellapurkar is holding land to an extent of 19-5-0. But his joint family was holding an area of 152-27-0 which he got divided among his family members to reduce his holding and to establish a claim for the land.

Unlike Shri Yellapurkar, Shri Madka Thaku Gouda is holding 21-30-10 in terms of Khuski land. His holding works out to 10-35-5 A.G. A. tari class of land. This also includes an area of 4-9-14 held by him on tenancy. So, the status of Shri Gouda cannot be compared with Shri Yellapurkar.

3. Shri Madka Thaku Gouda is cultivating an area of 0-25-0 since 18 years and 0-7-0 even prior to that, and it would be unjust to deprive him of the land. I, therefore, strongly recommend the grant of the land and request the Divisional Commissioner to recommend the case to Govt. in accordance with the orders contained in Govt. letter, Agriculture and Forests Department No.FDM 1055/108962-E dated 5-12-1955 copies of which have already been supplied to him.

2. Proposals made in a similar case in which the question of relaxation of the limit of economic holding was involved, were not accepted by the Government in Revenue Department although the applicant in that case had carried out permanent improvements of a substantial value (Vide G.L.R.RD No.RD 11 LGO 57 dated 7-3-58 copy enclosed). The Deputy Commissioner now states that the present case cannot be compared with the above case of Shri Yellapurkar for the reasons given in his above endorsement. They may be perused.

3. The present holdings of Madaka ~~Thanka~~ Thaka Gowda are stated to be 21-30-1 (A G A) in terms of Jirayat land as against the prescribed economic holding of 16 acres. The present ~~grx~~ grant would raise the area of his holdings to 22-22-10 (A G A) which exceed the prescribed limit by 6-22-10 (A G A). As the area proposed to be granted is only 32 gunthas out of the F.S.No. 213 of Kodar village and as it is stated that there is no demand from others for this area, which is in the possession of the lessee for the last 18 years or more, Government may be moved to relax the orders contained in G.R.RD No.LND 3955/97031 dated 20-10-55 in favour of Shri Madaka Thanka Gouda in so far as the present grant of 32 gunthas only is concerned. Necessary proposals for disforestment of the area will be sent on receipt of Government orders in the matter.
